

Jeff Scholen

Atlanta

About

I am a recent graduate of the Iron Yard's 12 week full time Rails Engineering Bootcamp. My core competencies are Ruby on Rails, Postgresql, jQuery, HTML5, CSS3 and other related technologies. I have experience withRSpec and Test Driven Development. Prior to this, I had been working in engineering related roles in the manufacturing industry.

-

Education

The Iron Yard

Rails Engineering, Ruby on Rails

2014 - 2014

Southern Polytechnic State University

Mechanical Engineering Technology, Bachelor of Science

1994 - 1996

Skills

- Web Development

- Ruby on Rails
- Postgresql
- RSpec
- TDD
- HTML
- CSS
- Javascript

- Interpersonal

- Optimistic
- Calm
- Reasonable
- Speaks Effectively
